Moab

By Isabel S.

MOAB IS BEAUTIFUL! YOU REALLY SHOULD GO THERE. MOAB IS FAMOUS FOR ITS NATIONAL PARKS LIKE ARCHES. ARCHES IS FAMOUS FOR ITS GIGANTIC LAVA ROCKS THAT WERE ONCE HOT LAVA - WOW!!!!!! - AND FOR HOW HUGE IT IS.

MY GRANDMA AND GRANDPA LIVE THERE AND THEY OWN A STORE CALLED EARTH STUDIO. THEY HAVE METAL ART AND ALL KINDS OF STUFF. THEY REALLY LOVE THEIR STORE.

WE LOVE TO GO THERE TO SHOP SOMETIMES, AND WORK BEHIND THE JEWELRY CASE. IT SNOWS A LOT IN MOAB IN THE WINTER, AND SUNS A LOT IN THE SUMMER, SO THEY ALWAYS HAVE THEIR TANK TOPS ON IN THE SUMMER AND COATS ON IN THE WINTER. THE SUMMER AND WINTER AND FALL AND SPRING HAVE BEAUTIFUL THINGS AT ALL TIMES, SO MOAB IS REALLY, REALLY, REALLY, REALLY PRETTY IN EVERY SEASON. AND IT IS REALLY, REALLY FUN.

YOU WOULD LOVE IT THERE!

Nantucket

Fun Stuff to Do on Nantucket!

You can do so many fun things. You can go to the whaling museum if it's cold outside. You could go to the Maria Mitchell house, which is where Nantucket's very first astronomer lived; go to the beach; go walk around Sconset (that's supposed to mean 'pile of bones' in the Maushop language), go look at the boats in town, look in the small shops, and all sorts of other things. I love Nantucket. I hope you might get to go some day!

About Nantucket!

Nantucket is an island 20 miles off the Cape, in Massachusetts. You can take a ferry or a plane. There are two ferries: # one is two hours, the other one is one and a half hours. Some of my favorite beaches are Jetties, Dionis, Tom Nevers, and Pocomo.
